Sponsorship Opportunities

We cordially invite you to become a sponsor of Project Hope's Mentor MOVEment 5k, sponsored by Healthy Adams County. The event will be held on Saturday, July 20, 2019. Your sponsorship of the Mentor MOVEment will be used towards providing a quality running/walking event for the local community. The remaining proceeds will benefit Healthy Adams County and Adams County Children and Youth Service's Independent Living program, Project Hope.

Project Hope Background

Project Hope is a mentoring program through Adams County Children & Youth Services that strives to match youth currently or formerly in foster care, as well as, others in need and in a child serving system in our community, ages 13-21, with a positive, caring adult to coach them in daily living activities, be a listening ear, introduce them to new opportunities, empower them to make responsible decisions, and spend time pursuing activities of shared interest.

Project Hope depends on volunteers from the community to become mentors for our young people in need. Mentors are recruited, trained, and supported throughout their match with Project Hope. Mentors spend 1-2 hours weekly with their mentee based on their personal schedules. Nationally, statistics show that youth with mentors are far more likely to attend school, volunteer, say no to drugs and alcohol, and become a mentor themselves later on in life. We are 'hope'ful that with a growing program like Project Hope, we are nourishing seeds in our community that will one day blossom to become successful contributing members of Adams County.
