Project Hope Partner Shout Out!

Phi Delta Theta's Haunted Mansion

Every year the brothers of Phi Delta Theta at Gettysburg College do their best to scare the socks off everyone in our community. For three evenings each October, they turn their fraternity house into what locals know as "The Haunted Mansion," and make their living quarters unrecognizable. The brothers take small groups on a tour throughout the house, every room having a different way to scare the brave souls who enter.

This year, 20 of our Independent Living participants, including mentors with Project Hope, got to experience the Mansion. While some were adamant that they were not scared, others lost their voice for an entire week following the event because they screamed so hard. No matter if those who went through admitted their fear, everyone agreed that the Mansion was very well done and gets better every year! Many people don't know that the proceeds raised by the brothers help fund our Independent Living programs. The brothers of Phi Delta Theta were able to raise over \$2,000 for our youth! We are very thankful for their partnership and look forward to returning again next year.

Of course, a shout out to The Pizza House for feeding everyone beforehand is very much deserved. Their service was incredibly efficient and they were so flexible and understanding of our large group. They have new owners and the pizza is incredibly delicious! Be sure to stop by and grab a slice when you're in the area.

From our quickly-growing Project Hope family to yours, Happy Halloween!

Project Hope Stats

Welcome, newcomers!

- ★ 2 new mentees!
- ★ 2 new potential mentees!
- ★ **4 mentors needed!**

Thank you to everyone who voted for us as one of your Picks of the County! We are thrilled to proudly display this logo for another year.

*Spending just an hour a week with a Project Hope youth could make the difference between our young people feeling isolated & forgotten vs. feeling valued & confident! Consider becoming a mentor with Project Hope & changing a young person's life **forever.***
