<i>*Radon – Ra</i>	<i>Subcontracted out to another lab</i> <i>2 - 40ml glass vials</i>	\$75.00

Reason for NO AIR BUBBLES: The gas is a vapor that will enter into the air bubble and volatilize.

- Test for Salmonella is \$145, per lab (MM - 9/17/2009).
- Multiple tests for same customer sometimes can use 500 ml or 1 liter bottle.
