I) Welcome

- A) Welcome – Committee welcomed members in attendance and Lisa Lindsey, Court Support Specialist.
- B) Review of Minutes – no changes

II) Old Business

- A) **Virtual Warrant Update** – Issues with JNET resolved. Now working on where data will be hosted, hoping to have a preliminary plan in near the future then will get back with Teliosoft to get the project back on track.
- B) **PAC File** – Go live in June with Delinquency cases. March 9, 2020, tentative live date for criminal. Lisa needs anyone requesting to be at the training to let her know so she can schedule you accordingly.
- C) **Video Conferencing** – This is scheduled be tested next Friday. If it goes well, looking for it to be in place for June 20th revocation day. From IT end, everything is ready to go. Paperwork logistics still need to be finalized.

III) New Business

- A) Committee Succession Planning – In 2017, the committee decided to change their chair and discussed looking at considering this to occur every 3 years to align with the Strategic Plan. Geoff elaborated on this as having new champions for the cause will help us move forward with different initiatives and not get stagnant on processes. We will be discussing this further in the future and wanted to get it on everyone’s radar now.

Meeting adjourned.

NEXT MEETING: Thursday, July 11, 2019, at 12 PM at the Human Services Building MPR 13 or via Conference Call.
