### **Rules 508--523. Reserved.**

### **Rule 524. Supervised Bail.**

With or without a motion, and pursuant to local rules and Pa. R.Crim. P. 524, 527 and 530, a judge or district justice may, in addition to setting regular bail, authorize supervised bail and impose conditions in accordance with Local Rules 527 and 530. Supervised bail shall be an alternative to regular bail, and shall continue until revoked, rescinded or modified. The following provisions shall apply to supervised bail:

- a. The judge or district justice shall contemporaneously set regular bail.
- b. Supervised bail shall have the effect of suspending the need for posting regular bail for as long as defendant complies with the conditions of supervised bail, or until such time as the bail remains in effect. Nothing in this rule shall prevent the bail authority from modifying, rescinding or revoking such bail for sufficient reasons other than noncompliance, upon such notice as the judge or district justice deems appropriate. Defendant shall have the right to appear and contest rescission, modification or revocation.
- c. Unless regular bail has also been revoked, defendant shall have the right to post it

when supervised bail has been revoked or rescinded.

d. In order to be eligible for supervised bail, defendant must acknowledge in writing that he or she understands and consents to the conditions of supervised bail, including conditions relating to rescission, revocation and modification of such bail and being subject to immediate arrest without a warrant for violation of any bail condition. The form of the application, acknowledgement and consent shall explain that a violation may result in revocation of regular bail, as well, but until such revocation regular bail shall continue and defendant may post such bail until an order of revocation is entered by a judge or district justice.

e. Any probation officer of this court who has reasonable cause to believe that defendant has breached or is breaching any condition of supervised bail shall have authority to declare supervised bail rescinded and to arrest defendant with or without a warrant.

f. Upon arrest and/or rescission, defendant shall be committed to prison pending the posting of regular bail, or reinstatement of supervised bail by a judge or district justice.

g. Defendant, the Commonwealth and the Adams County Probation Office shall each have the right to a hearing before a judge or, for cases pending before a district justice, a district justice. Defendant may request reinstatement of supervised bail, or modification of standard bail. Commonwealth and/or the Probation Office may request forfeiture of any monetary conditions of supervised bail and/or revocation of regular bail.

h. Unless the obligation is suspended or modified by the bail authority, defendant shall be required to pay supervision fees established by administrative order. Until changed, fees are set at \$25.00 per month general supervision fee, and \$6.00 per day fee for electronic monitoring. Defendant may request an evaluation of his or her financial condition and a reduction or suspension of supervision fees. The bail authority may reduce the fee to reflect defendant's ability to pay, or suspend the obligation entirely. In either case, defendant shall be under a continuing obligation to keep the Probation Office informed of any changes in his or her employment status and/or financial condition.

i. Forms as part of the Supervised Bail Program shall be adopted periodically in accordance with Local Rules of Criminal Procedure 527 and 530, by administrative order. Until changed, applications and orders setting bail shall be substantially in the form published as part of Local Rule 527.

j. A defendant, who has otherwise not been considered eligible for supervised bail, may request an order directing the Probation Office to assess his or her eligibility for supervised bail. Assessment will be made in accordance with Local Rule 527, with recommendations submitted by the Probation Office to the judge designated by the President Judge, via the District Attorney. An application, acknowledgement and consent, signed by defendant, shall be attached to the recommendation.

## **Rules 525--526. Reserved.**

### **Rule 527. Conditions of Supervised Bail.**

Nonmonetary conditions of bail shall be as established by Pa. R.Crim.P. 527, this rule and Local Rule 524. A bail supervision program is established. Procedures, protocol, forms and conditions of bail shall be as described by the program. Until changed by administrative order, description and scope of the program, protocol, procedure and conditions of bail shall conform to the following (numbering is for purposes of organization):

#### **ADAMS COUNTY SUPERVISED BAIL PROGRAM**

##### **(A) Purpose.**

The supervised bail program is meant to alleviate overcrowding in Adams County Prison by allowing qualified defendants to remain free on bail pending resolution of charges. The aim of the program is to ensure public safety and a defendant's appearance and compliance with conditions of his or her bail bond. The program is not intended as a rehabilitative tool, but rehabilitative conditions may be imposed when there is a substantial likelihood that:

- (1) Conduct, which shall include substance abuse as well as particular mental or emotional states, which is addressed by particular rehabilitative conditions contributed to the charges, and
- (2) Without intervention, such conduct is likely to continue and cause a violation of defendant's reporting requirements or other conditions of his or her bail bond.

##### **(B) Goals and Objectives.**

- (1) To maximize the release of defendants on bail by identifying defendants most likely to meet reporting requirements and conditions of bail bonds through supervision.
- (2) To help facilitate judicial decisions regarding bail by providing the issuing authority and/or Court with factual information about the defendant in a timely manner.
- (3) To monitor defendants who have been placed on the supervised bail to ensure compliance with the conditions of release.
- (4) To establish a process that would increase the release of qualified defendants from the Adams County Prison pending resolution of charges.
- (5) To identify defendants with substance abuse problems, and when

appropriate, to refer them to appropriate treatment facilities.

(6) To promote defendant's accountability through community supervision and treatment.

(7) To monitor defendants to ensure compliance with bail conditions.

(8) To provide information regarding a defendant's compliance with conditions, treatment requirements and overall progress on the program when plea agreements are presented to the Court and/or as aids to sentencing.

(9) To establish forms, protocol, procedure and reasonable rules and regulations to enable the Adams County Probation Office to administer and operate a supervised bail program and to inform defendants of bail conditions and consequences of violations thereof.

(10) To ensure public safety.

#### **(C) Intake.**

Intake procedure by the Probation Office involving supervised bail may be categorized as follows:

(1) Low risk supervision, where conditions are initially set by the bail authority, and defendant is immediately released subject to compliance with those conditions and an obligation to report to the Probation Office no later than 2:00 p.m. the following business day.

(2) Regular or more restrictive supervision, where the bail authority authorizes supervised bail, subject to establishment of conditions and execution of all necessary documents.

(3) The bail authority refers defendant to the Probation Office for assessment and recommendation of eligibility or non-eligibility for supervised bail. Normally, judges and district justices should not authorize release on supervised bail prior to a defendant's referral to the Probation Office. Otherwise, a hiatus may occur in supervision. However, in exceptional cases, when the Probation Office is not open and when the judge or district justice determines that a defendant presents a low risk of violating conditions of the bail bond, a defendant may be released on supervised bail. All defendants shall be referred to the Probation Office for evaluation, execution of necessary papers and supervision, and that office shall assess and process the defendant.

If a judge or district justice admits a defendant into the program when the Probation Office is open, defendant shall be referred to the office before being released. When the office is closed, low risk defendants may be temporarily released, after signing all necessary

acknowledgements, agreements and consents, on condition that he or she report to the Probation Office no later than 2:00 p.m. the next business day following release. In all cases, the Probation Office shall provide the District Attorney with an opportunity to comment upon bail and to request conditions.

**(D) Classification and Entitlement.**

Classification and entitlement to supervised bail shall differ between low risk assessments and regular and more restrictive supervision as follows:

(1) Low risk assessments: The Probation Office shall submit its assessment and recommendation to the District Attorney, who shall approve, disapprove or approve with additional conditions. The application will then be returned to the Probation Office and defendant given an opportunity to agree to additional conditions and/or a higher level of supervision. If defendant agrees, he or she shall sign necessary forms, which will be forwarded to a judge or district justice for entry of an order. If defendant does not agree, the matter shall be listed for hearing. Defendant shall remain on supervised bail in the interim.

(2) Other assessments: The Probation Office shall follow the same procedure as in low risk cases. However, defendant shall not be entitled to supervised bail until he or she has either agreed to recommended or requested conditions, or after hearing.

(3) A defendant may agree conditionally with conditions and level of supervision, while requesting a hearing to consider modification. In such case, defendant may be released on supervised bail subject to the recommended conditions and level pending consideration of defendant's request for modification.

When defendant has been referred for an assessment, the Probation Office shall evaluate the defendant, confer with the District Attorney and promptly notify the referring judge or district justice of its recommendations. The report shall include: (a) when the bail authority has not yet authorized supervised bail, that defendant either be granted or denied supervised bail, and (b) when supervised bail is recommended or has been authorized, that a specific level of supervision and identified special conditions be imposed. If admission is recommended, defendant's signed application, acknowledgement and consent containing proposed conditions of supervision will be included. An order may then be entered releasing defendant on supervised bail. If defendant requests modification of any condition, a hearing shall be set.

No defendant shall be released on supervised bail until he or she has read, acknowledged understanding, agreed to comply with and signed supervised bail conditions and rules. Failure to do so will be deemed a rejection of supervised bail. The Probation Office shall promptly notify the appropriate judge or district justice of defendant's rejection, when the refusal occurs in the Probation Office.

District Justices shall notify the Probation Office by phone or fax when they have placed a low risk defendant on supervised bail. Copies of all orders and forms shall be promptly provided. Efforts should be made to avoid having defendants "just show up" at the Probation Office without the prior knowledge of that office. District Justices shall also promptly provide the Probation Office with copies of orders in all cases where supervised bail is authorized, or where assessments are ordered.

The Probation Office shall periodically review admissions to the Adams County Prison to determine if any prisoners may be eligible for supervised bail. A probation officer may contact the President Judge or appropriate district justice with pertinent information and recommendations. In appropriate cases, a probation officer may assist prisoners in preparing and submitting bail applications, acknowledgements and consents. The District Attorney shall be provided an opportunity to agree or object to supervised bail.

**(E) Assessment and supervision levels.**

The Probation Office shall assess defendants to determine the level of necessary supervision and, after input from the District Attorney, shall recommend a particular level and special conditions, if any, to the bail authority. Levels may subsequently be changed upon recommendation of the Probation Office and approval of the bail authority. When restrictions are decreased, defendant's consent shall not be required. When restrictions are increased, defendant must agree, after being notified that failure to agree will be considered a rejection and rescission of supervised bail.

Levels will generally conform to the degree of supervision provided defendants released on probation or parole. In assessments for purposes of recommending a particular level, the Probation Office shall consider bail factors listed in Pa. R.Crim.P. 4002, impressions garnered during interviews, and other factors as may be set forth in this document. The office shall recommend one of four levels, which are:

1. Low risk supervision
2. Regular supervision
3. Intensive supervision
4. House arrest, with or without electronic monitoring

**(F) Documentation.**

The Probation Office shall maintain regular and appropriate records regarding defendant's supervision and compliance with bail conditions.

**(G) Initial field/home contact.**

The initial home visit/field contact shall take place within 3 working days of receipt of the case. The purpose of this contact is to verify the residence, obtain a layout of the residence,

verify all occupants of the residence, and determine whether the possibility exists that weapons or illegal contraband might exist within the residence and determine whether the residence is a suitable environment.

**(H) Collateral contacts.**

Contact with local law enforcement authorities as well as treatment providers shall be encouraged in order to enhance the community supervision and monitoring of the defendant. Information shall be sought concerning adjustment in the community and compliance with bail conditions

**(I) Standard conditions of supervision.**

The following conditions, as set forth in Local Crim. Rule 705.1.d, shall apply to all defendants. 1a. b.; 3a. b. c. d. e. f.; 4a. b. c.; 7a. c. d.; 8. Other conditions shall apply if specifically ordered. If defendant is under the age of 21, condition 1 c shall apply.

**(J) Levels.**

*(1) Low risk supervision*

This type of supervision will be ordered when a defendant presents a low risk of violating bail conditions and does not pose a threat to the community, but regular bail without monetary conditions may not guarantee defendant's required appearances, and defendant is unable to post such regular bail. Defendants under the age of 21 shall be subject to special condition 1c. Typically, defendant shall be required to report frequently by telephone and to periodically appear either at the Probation Office or to a local police department. Defendant shall be required to submit to random tests of blood, breath or urine to detect the presence of controlled substances and to pay a \$10.00 test fee. The right to travel beyond a 150-mile radius of the Adams County Courthouse shall be subject to at least ten days prior notice to the Probation Office. The Probation Office shall then notify defendant within three working days if it forbids, or approves such travel as well as any conditions it imposes.

Notice given orally to defendant shall suffice.

*(2) Regular Supervision*

This type of supervision will be ordered when defendant presents a moderate risk of non-compliance and will typically conform to supervision provided persons released on probation or parole for non-violent crimes, which are relatively minor in nature. Some felonies, such as forgery, may be included and some misdemeanors, such as indecent assault, may be excluded. Simple assaults may be included, depending upon the circumstances. Gradation of the offense shall not, in itself, be dispositive. Reporting requirements may not significantly differ

from low risk supervision, but other conditions, such as prohibition of alcohol consumption, and drug and alcohol assessment may be added. The following are additional considerations:

- \* minimal or no prior delinquent or criminal history
- \* some history of mental or emotional disorders or drug/alcohol abuse but no present indications of such issues
- \* defendant has responded favorably to previous supervision
- \* defendant is employed or provides care for children

*(3) Regular supervision contact requirements*

There will be bi-weekly personal contact with the defendant. Telephone contact shall occur on a more frequent basis, as needed. Contact may either be with the Probation Office or a local police department, if authorized by court order or by the Probation Office.

The Probation Office shall conduct a minimum of one curfew check weekly and one home visit per month.

If bail conditions prohibit consumption of alcoholic beverages, defendant must pay a test fee and submit to random tests of his or her blood, breath or urine to detect the presence of controlled substances and/or alcohol. Test indication of the presence of alcohol or illegal controlled substances shall be grounds for rescission of supervised bail. Defendant may be ordered to undergo a drug and alcohol assessment/evaluation to determine the need for appropriate treatment and to participate in recommended treatment. Standard conditions hereinafter recited shall be modified as follows:

*Curfew*--11:00 PM - 6:00 AM, unless special permission granted by Probation Officer or defendant is working at approved employment.

*Travel limitations*--Unless his or her bail conditions specify otherwise, a defendant may travel freely within a one hundred fifty-mile radius of the Adams County Courthouse, so long as the defendant remains within Pennsylvania and no approval is necessary. A defendant may request, as a part of his or her application, permission to travel beyond Pennsylvania, and if the request is granted, not further authorization will be needed. Otherwise, defendant must have the bail authority or a Probation Officer's permission to leave the Commonwealth. In any event, he or she must have such approval to travel beyond a one hundred and fifty-mile radius measured from the Adams County Courthouse.

*Employment/Education/Training*--If employed, must maintain employment. If unemployed, and if health permits, defendant must actively seek

employment. The Probation Officer may require completion and weekly submission of job search applications. Defendant must continue schooling and/or job training if enrolled.

*(4) Special conditions of supervision*

The following criteria shall be considered in determining whether special conditions of probation as set forth in Local Crim. Rule 705.1(d) and being 1 c. d. e; 2 b. d., (which relate to consumption of alcoholic beverages, counseling and evaluation), should be imposed are:

- \* defendant has a history of criminal involvement with alcohol or controlled substances, such as a prior DUI conviction.
- \* police information indicates that alcohol or drug consumption was involved in the crime charged. This factor includes indications that defendant may have committed the crime while under the influence or was motivated by a desire to procure controlled substances and/or alcoholic beverages, or that the crime involves the use of controlled substances.
- \* defendant is charged with DUI and his or her blood alcohol concentration was .20 percent or greater.
- \* defendant has indicated symptoms of mental or emotional impairment, such as disorientation, confusion, incoherence, or inability to focus, think and speak rationally.

*(5) Intensive supervision*

(a) All conditions of regular supervision, except as changed or modified by more restrictive conditions, shall apply to intensive supervision.

(b) The following may be considered in determining whether defendant's bail should be intensively supervised:

- \* crimes which involve possible classification as a dangerous offender or violent sexual predator.
- \* the victim of the alleged crime is a child, or someone to whom defendant has convenient access, or whom defendant may have previously harassed, stalked or threatened.
- \* defendant has a significant history of delinquent and/or criminal behavior.
- \* defendant has a history of mental/emotional disorders or displays chronic alcohol or drug abuse.

\* defendant did not comply with less restrictive conditions of the bail supervision.

\* the Probation Officer's experience with the defendant or his or her prior criminal history gives the officer reasonable grounds to believe that more restrictive supervision is necessary.

The Probation Office shall maintain one face to face contact, either in the office or community setting, and one collateral contact weekly with the defendant. [Collateral contact is communication with the defendant by the telephone or communication in some manner with another person having regular contact with defendant, such as a local law enforcement officer, treatment specialist/provider, family member, etc.] The probation officer shall conduct a minimum of one curfew check per week as well as a minimum of two home visits per month on defendant.

The following conditions shall apply:

*Drug testing/breathalyzer*--minimum of one Breathalyzer and one urinalysis test per week. Random testing as deemed appropriate by the Pretrial Officer

*Curfew*--10:00 PM - 6:00 AM Sunday through Thursday unless working at approved employment 11:00 PM - 6:00 AM Friday and Saturday unless working at approved employment

*Travel limitations*--Within Adams County there shall be no restrictions as to travel and no approval is necessary, as long as defendant complies with other conditions, such as curfew.. Outside County - Defendant must have Probation Officer's permission to leave Adams County.. Requests for deviation must be submitted at least ten days in advance and the Probation Office shall have three working days to approve, with or without conditions, or disapprove the request.

*Employment/Education/Training*--Must maintain employment. If unemployed, and if physically able, must actively seek employment and complete job search forms. [Minimum of one per week] Must continue schooling if enrolled in school and continue educational pursuits as appropriate.

If ordered, the following condition will apply:

*Evaluation and treatment Services* - Defendant will undergo a drug and alcohol and/or mental health evaluation to determine the need for appropriate treatment, and shall follow the recommendations resulting from the evaluation.

(6) *House Arrest*

House arrest, with or without electronic monitoring is the most restrictive form

of supervised bail. All conditions of restrictive supervision shall apply, as modified by more restrictive conditions. Defendant shall be confined to his or her residence and shall not be permitted to leave except for purposes and at such times as specifically authorized by the Probation Office. Defendant must keep the Probation Office informed of his or her whereabouts at all times.

House arrest may be ordered when charges involve serious crimes, where defendant has failed to comply with less restrictive conditions, or presents a threat to commit other crimes or to abscond. It involves situations where supervised bail would not normally be considered, but defendant's employment or family situation provides a degree of assurance that defendant will comply with conditions of his bail. It may also be ordered when defendant's trial has been delayed, and regular bail imposes a financial hardship on defendant and/or his family. All travel must be approved by the defendant's Probation Officer.

(K) *Forms.*

Until changed by administrative order, the following forms are adopted.

### **APPLICATION, ACKNOWLEDGEMENT AND CONSENT**

I hereby apply for release on supervised bail. I agree to pay fees associated with the Supervised Bail Program. I understand that I will be subject to supervision by Adams County Probation Office. Any items, the possession of which constitute a violation of the bail supervision rules/conditions and/or bail/bond conditions, may be seized and used as evidence before the Court in the Bail revocation process.
7. I agree that I may not own, possess, use, carry, or transport any firearm or deadly weapon while on the supervised bail. I understand that if there is any question about whether a particular article is a deadly weapon, I must seek the Probation Office's approval for such possession, use, or ownership.
8. I understand that I may not travel beyond a radius of 150 miles measured from the Adams County Courthouse. In addition, restrictions imposed in 8a and 8b shall apply if checked. I may not travel beyond designated areas without prior Probation Office

9. I understand that condition 3a. requires me to comply with all municipal, county, state and Federal laws; and to live as a law-abiding citizen while on supervised bail. I understand that condition 3b. requires me to notify the Probation Office within 48 hours of receiving a criminal summons or citation, or of any arrest.

Any positive results indicating the presence of a prohibited drug, drug metabolites, and/or a nonprescribed drug and/or alcohol (if I am subject to condition 1c. or 1e.) shall be a violation of supervised bail and will result in rescission of supervised bail and incarceration in the Adams County Prison. I understand that I will be given two [2] hours to produce a urine specimen of sufficient quantity for testing. Failure to produce a specimen of sufficient quantity and quality for laboratory testing within that time will be deemed a violation of supervised bail and can also result in my incarceration in the Adams County Prison.

### **Rule 590. Pleas and Plea Agreements.**

1. The Court will be available for the purpose of taking guilty or nolo contendere pleas from time to time as designated by the Court Administrator on a day(s) which shall be designated as "Plea Day" on the Court Calendar. The day(s) selected shall be at least ten (10) days before the respective trial term.
  2. At the conclusion of each Plea Day, all cases which have not been resolved shall be called by the Commonwealth in open court in a courtroom to be designated. Once the list of remaining cases is called, the Court will not accept any plea for a case on that criminal list unless said plea is to all charges and without agreement as to sentencing. The Court may waive this prohibition against late plea agreements for good cause as the interests of justice require. In the event the Court does find good cause and agrees to take the negotiated plea, such plea may be taken at that time or the case may be continued by the Court for the plea to be taken at another date as the Court may direct.
  3. Requests for continuances should normally be made on Plea Day. If, after the conclusion of Plea Day, either party becomes aware of circumstances justifying a continuance, a request should be filed with the Court and all parties in writing prior to close of business on the Wednesday preceding criminal trial week. The motion shall set forth whether the other parties concur with or oppose the relief requested.
- 4(a). All defendants and all attorneys representing defendants on a respective plea day must attend the call of the criminal list unless:
- i. the case has previously been resolved through plea or other disposition; or
  - ii. a date certain has been scheduled for the entry of a plea; or
  - iii. a motion for a continuance has been previously presented and granted; or

- iv. the defendant and/or counsel and the District Attorney's Office have agreed that the defendant and/or counsel may be excused from the call of the list.
  - (b) Failure to comply with the requirements of paragraph 4(a) may result in the imposition of sanctions by the Court including the issuance of a bench warrant and revocation of bail bond.
5. The Court shall state in open court at the commencement of Plea Day and again in open court after concluding the calling of the criminal trial list that, pursuant to Local Rule 590, Plea Day is the last day during which the Court will accept negotiated pleas of guilty or nolo contendere and, thereafter, a party will be required to go to trial during the following trial term or plead guilty as charged.
6. By the close of business on the Thursday preceding the criminal trial term, the District Attorney's Office shall provide a copy of the trial schedule to the Court Administrator and the Clerk of Courts Office. The Clerk shall, thereafter, post the schedule. If the trial list is longer than the number of court days available, the Commonwealth shall prioritize the list taking into account Pennsylvania Rule of Criminal Procedure 600. Any cases which have not been set for a specific trial date shall remain on a standby list and may proceed to trial in the event a trial date becomes available. At the conclusion of jury selection for all cases scheduled during a trial term, any remaining cases which cannot be heard due to unavailability of trial days shall be continued by the Court to the following trial term for disposition. Such cases, if not resolved prior thereto, shall receive priority in scheduling during the following trial term. The Court, at all times, reserves the right to set the trial schedule.
7. If a defendant is represented by counsel and desires to tender a guilty or nolo contendere plea, a Guilty/Nolo Contendere Plea Colloquy substantially in the form set forth in Rule 590.1 shall be completed. The Colloquy shall be executed by the defendant and his counsel and filed with the Clerk of Courts prior to entry of the plea.
8. When the parties have arrived at a plea agreement, they shall state on the record in open Court and in the presence of the Defendant, the terms of the agreement. The agreement will be confirmed in writing substantially in the form set forth in Rule 590.2 and presented to the Court prior to the entry of any plea. At a minimum, the written agreement must contain ALL terms of the agreement and must be executed by the Commonwealth, the Defendant and Defendant's counsel, if any. Nothing in this Rule will prevent the Judge from ordering for good cause shown and with the consent of all parties and counsel, that specific conditions in the agreement be placed on the record in camera and the record sealed.

*Comment:* Orderly scheduling of jury trials and regard for the convenience of jurors shall be important factors in determining the interests of justice under Pa. R. Crim. P. 106. In order that a trial schedule may be prepared and announced in accordance with this Rule, requests for continuance ordinarily should be made no later than immediately after the trial list is announced for that particular term. In those instances where witness unavailability or other unforeseeable need arises requiring a continuance subsequent to

the call of the trial list, a request for continuance should be made prior to the close of business on the Wednesday preceding the criminal trial term.

Although motions for continuance will obviously be governed by the state rule, the local rule is intended to express Court policy that a definite trial schedule published in advance of trial will reduce inconvenience to the Court, the parties, witnesses and jurors. Timeliness measured from promulgation of the trial list is an important consideration in the decision to grant or deny a continuance request. It is expected that all counsel will act with reasonable diligence and promptness in determining whether a case is ready for trial and that counsel shall be in a position to make that determination, at the latest, on the Wednesday prior to trial.

It is noted that the Court calendar will generally schedule at least two (2) plea days prior to each criminal trial term. The intent of this rule is that each plea day shall be a separate and distinct day concerning applicability of the time limits of this rule and continuances from one plea day to another to avoid the intent of this rule will generally not be granted by the Court except as the interests of justice otherwise require.

### **Rule 590.1. Form of Plea Colloquy.**

Written Plea Colloquies required by Rule 590 shall substantially be in the following form:

## **GUILTY PLEA COLLOQUY INSTRUCTIONS**

### **TO DEFENDANT:**

If you choose to plead guilty or nolo contendere, this Guilty Plea Colloquy should be completed by you. By pleading guilty, you are agreeing and admitting that you committed each of the elements of the crimes. By pleading nolo contendere, you are stating that you do not contest the fact that the Commonwealth can prove you committed the crimes. In criminal law, a plea of nolo contendere has the same effect for sentencing purposes as pleading guilty and, therefore, everything contained in this Guilty Plea Colloquy also applies to a plea of nolo contendere. You should read this document carefully and review it with your lawyer. It is **IMPORTANT** that you understand, agree with and answer truthfully everything contained in this Guilty Plea Colloquy. If you understand and agree with what is said in a paragraph of this document, place your initials on the line provided. If you do not understand or agree with what is said in a paragraph, **DO NOT** place your initials on the line provided, and you should tell the judge what you do not agree with or understand.

### **TO THE DEFENDANT'S LAWYER:**

You must explain the content and meaning of this Guilty Plea Colloquy Statement to the defendant. If, after your explanation, the defendant does not understand or agree with something, he/she should not initial that paragraph and you must inform the judge of this fact. If the defendant does not speak, understand, read or write the English language or suffers from some physical, emotional or mental problem or is under the influence of any substance which affects

Please mark if a guilty/nolo contendere plea colloquy supplemental charge sheet is attached.

2. I understand, and my lawyer has explained to me, that the total maximum sentence which I could receive for all of these crimes is \_\_\_\_\_ in jail and a \$ \_\_\_\_\_ fine.

### **Right to Trial**

3. I understand, and my lawyer has explained to me, that if I plead not guilty, I have a right to have a trial by jury or I may ask that my trial be before a judge without a jury. I understand, and my lawyer has explained to me, that if:
  - a. I am tried before a jury that the jury would consist of twelve (12) people who live in Adams County; that I have a right to take part in selecting the jurors who would hear my case; that the jurors would decide my guilt or innocence based upon the evidence presented to them; that I can exercise challenges to prevent any person from being a juror in my case if I can show that they would not be a fair juror; that the Commonwealth may not remove a juror just because of their gender, race or nationality; that I can prevent a limited number of people from being jurors in my case without giving any reason at all; and that I cannot be found guilty of the crimes charged unless all twelve (12) jurors agree that the Commonwealth has proven that I have committed each element of these crimes beyond a reasonable doubt; or
  - b. if I am tried before a judge alone without a jury that the judge would hear the facts and make a determination as to my guilt or innocence. I understand that before I could be found guilty, the judge must be convinced of my guilt beyond a reasonable doubt as to each and every element of the crimes charged.
4. I understand, and my lawyer has explained to me, that if I plead not guilty and have either a jury or a non-jury trial that:

--I am presumed innocent of these crimes and that the Commonwealth has the burden of proving that I committed each of the elements of the crimes charged beyond a reasonable doubt. If the Commonwealth fails to do so, I cannot be found guilty of these crimes. A reasonable doubt is a doubt that would cause a reasonably careful and sensible person to hesitate before they act upon something that is important in their lives or affairs.

--that the Commonwealth must present witnesses who must testify under oath and that I or my lawyer can cross-examine or ask questions of each of these witnesses.

--that I do not have to testify or present any evidence and no one can force me to do so. If I choose not to testify or present any evidence, that cannot be used or held against me. However, if I want to testify and present evidence and witnesses, I may do so.

--I have the right to call witnesses and present evidence including, but not limited to, evidence that I didn't commit the crime charged; that I have an alibi; that there is a mistaken identity; that an insanity defense exists; that my acts were justified or there is other lawful excuse for my acts.

### **Motions Before Trial**

5. I understand, and my lawyer has explained to me, that before I enter a plea of guilty, or before my trial begins:

--I can file motions to ensure that I get a fair trial. These motions may include, but are not limited to, a motion to prevent the Commonwealth from presenting improperly obtained evidence at my trial including any statements that I may have made, test results, identifications and items taken from me or from some place or thing. If I file such a motion, the Commonwealth has the burden of proving that this evidence can be presented at my trial.

--I can file a motion to have the crimes charged dismissed if my trial was not started within three hundred sixty-five (365) days after the date that the criminal complaint was filed against me, not counting any delays caused by me or my lawyer and, if the judge grants my motion, the Commonwealth cannot charge me with those crimes again.

6. I understand, and my lawyer has explained to me, that by pleading guilty, I am giving up my right to file any of these pre-trial motions. If I did file any motions that have not yet been decided, by pleading guilty or nolo contendere, I am now giving up the right to have the Court rule on them. If the Court granted any motions filed by the Commonwealth or denied any motions filed by me, by pleading guilty or nolo contendere, I am giving up or losing my right to appeal the judge's decision to a higher court and I can never again raise any of the issues stated in these motions before any court.

### **Effect of Plea**

7. I understand, and my lawyer has explained to me, that if I plead guilty or nolo contendere to any of these charges:

--If I am pleading guilty, I understand that I am agreeing and admitting that I committed each element of these crimes. If I am pleading nolo contendere, I am not contesting that I committed each element of these crimes and I agree that the Commonwealth can prove that I committed each element of these crimes beyond a

reasonable doubt. My pleas of guilty or nolo contendere will have the same effect as if I had a trial and was convicted of the crimes to which I have pled guilty or nolo contendere.

--If I was on probation, intermediate punishment, or parole at the time the crimes to which I am pleading guilty or nolo contendere were committed, my pleas in this case mean that I have violated probation/intermediate punishment/parole. I understand that if I have violated my probation or intermediate punishment that I can be resentenced to jail and if I violate my parole, I may be re-committed to jail to serve the remainder of my sentence(s) without credit for time on parole. I further understand any sentences that I am required to serve as a result of a probation, intermediate punishment or parole violation may be in addition to any sentence which I may receive as a result of this plea.

8. I understand, and my lawyer has explained to me, that the judge is not bound to accept the terms of any plea agreement that I have with the Commonwealth or with anyone else and that the plea agreement is not binding on the Court unless and until it is accepted by the Court. If the judge decides not to accept the plea agreement, I understand that I will be allowed to withdraw or take back my plea of guilty or nolo contendere. I further understand that at any time prior to my sentencing, I may ask the Court for permission to withdraw my plea of guilty or nolo contendere but I must show a fair and just reason for doing so.

### **Representation by Counsel**

9. I have fully discussed this case with my lawyer including the facts and possible defenses I may have to these charges including, but not limited to: that I didn't commit the crimes charged; that I have been misidentified; that I have an alibi (I was someplace else when the crime was committed); that I was justified in committing the act (self-defense, defense of property or others) or that I had a mental disease or defect which made me incapable of knowing what I was doing or, if I did know, I was not capable of judging that the act was wrong (insanity).
10. I understand, and my lawyer has explained to me, all the possible defenses I may have to these charges. I am satisfied that my lawyer knows all the facts and law concerning this case. I am fully satisfied with what my lawyer has done for me and what my lawyer is doing for me today concerning this case. I am fully satisfied that my lawyer has not failed to do anything which I have asked him to do nor has done anything of which I didn't approve. I agree that my lawyer has contacted, or attempted to contact, every witness or source of evidence of which I have advised him and that if contact was unsuccessful, I am satisfied that my lawyer has exhausted all possible leads to locate the witness or evidence.
11. I am fully satisfied that my lawyer is ready and able to defend me in this case if I do not plead guilty or nolo contendere to these charges.

12. I have not been pressured, forced or threatened to enter into this plea by my lawyer and that my lawyer has left the final decision on whether or not to enter this plea to me.

### **Knowing and Voluntary Plea**

13. I have gone to school for understand the \_\_\_\_\_ years. I can read, write, speak and English language.

14. I UNDERSTAND, AND MY LAWYER HAS FULLY EXPLAINED TO ME, ALL THE FACTS AND RIGHTS WHICH I HAVE WHICH ARE CONTAINED IN THIS GUILTY PLEA COLLOQUY AND THAT BY PLEADING GUILTY OR NOLO CONTENDERE, I AM GIVING UP OR LOSING ALL OF THESE RIGHTS.

15. I do not have any physical, emotional or mental problems which affect my ability to understand what I am doing today or the rights which have been explained to me today and I am not now under the influence of any narcotics, drugs, alcohol or any other substance.

16. I have not been pressured, forced or threatened by anyone to plead guilty or nolo contendere to these charges and I have not been promised anything by anyone in return for pleading guilty or nolo contendere other than the plea agreement, if any, which has been presented to the judge in writing as part of this proceeding.

17. I have had enough time to fully discuss my case and my decision to plead guilty or nolo contendere and everything contained in this guilty/nolo contendere plea colloquy with my lawyer and, by placing my initials on all the lines provided, I am saying that I understand, agree with, and answer truthfully everything contained in this guilty plea statement.

Such a motion must be filed with the Adams County Clerk of Courts Office within ten (10) days of the date of my sentence. A post-sentence motion may include: a motion challenging the jurisdiction of the Court; a motion challenging the legality of the sentence; a motion asking that the Court modify the sentence imposed; a motion asking that I be permitted to withdraw my plea because it was not voluntarily, knowingly and intelligently entered; or a motion challenging the denial of any motion which I may have had to withdraw my plea(s).
3. If I file a post-sentence motion, this Court must decide it within one hundred twenty (120) days of the date that it is filed, unless this Court extends the deadline for up to thirty (30) additional days at my request for good cause. ## **Rule 705.1. Conditions of Probation, Intermediate Punishment and Parole.**

### *A. General:*

Conditions of probation and/or parole may be established or changed by either local rule, specific order relating to a particular case or by administrative order. In addition to other filing requirements, all orders or rules shall be filed in the Clerk's office, and with each District Justice. Special conditions, that is those without an identifying asterisk, shall apply only if checked. Special conditions may be ordered either at the time of sentence, or by order of modification thereafter. Any interested person, including probation officers, the District Attorney, or the defendant may request a modification of conditions at any time. The court may modify conditions after notice to interested parties, and an opportunity to be heard, but requests for modification may be denied without a hearing or prior notice. Interested parties may waive their right to hearing at the time a request is submitted.

### *B. Programs:*

Probation officers may require defendants to participate in approved programs, or to engage in therapy or counseling with approved counselors and other personnel, in accordance with Local rule 705. Programs and counselors may also be specially approved by order for specific cases.

### *C. Sexual Offenders:*

§ 6312, Sexual Abuse of Children.

Unless the order provides otherwise, the classification shall be effective for a period of six months, during which time the Probation Office shall evaluate the defendant. The office shall recommend to the sentencing judge, or such other judge designated by the President Judge, that defendant's classification and supervision as a sexual offender be either continued or terminated. The period may be extended additional 6 month- periods at the request of the office. Notwithstanding the above list of crimes, a judge may classify a defendant convicted of other crimes as a sexual offender, if the judge determines that the defendant will be benefited or the community be protected by SO conditions, or if the crime involved sexual overtones.

2. You must notify your supervising Probation Officer and provide documentation when payment is made.

5. You must notify the Probation Department in advance of any changes to your mailing address or physical address.
6. You must comply with any and all other specific conditions dictated by the court within your sentence order dated, \_\_\_\_\_.

### **Rule 708.1. Violation of Probation, Intermediate Punishment, or Parole.**

Unless otherwise specifically noted, procedures established by this Rule shall apply to violations of probation, intermediate punishment, and/or parole, regardless of which particular form of supervision is involved.

(A) *Gagnon I Hearing Master*: The President Judge shall appoint an attorney authorized to practice before the Court to conduct Gagnon I hearings.

(B) *Gagnon I Hearings*: Normally, monthly hearings shall be scheduled by Court order at least three (3) weeks in advance. When a defendant has been committed to Adams County prison because of a violation, and no other detainers require commitment, hearings may be more promptly scheduled. The master shall promptly file with the Court preliminary findings and recommendations.

(C) *Gagnon II Hearings*: Gagnon II hearings shall be conducted on Revocation

Day and normally scheduled by Court order at least three (3) weeks in advance. As in the case of Gagnon I hearings, hearings may be more promptly scheduled when a defendant is incarcerated.

(D) *Failure to appear*: A judge may order that a bench warrant issue for the arrest of any defendant who fails to appear at a hearing. If possible, any person so arrested shall be produced before a judge within 72 hours after being placed in Adams County prison. If holidays or court business cause a delay, the defendant shall be produced before a judge at the first available opportunity after being placed at Adams County Prison. The judge shall explain the reasons defendant is being held, the right to counsel and to hearing(s) on the charges and the possible consequences of being found in violation.

(1) Normally, when defendant has been arrested for failure to appear at a Gagnon I hearing, appearance before a judge shall suffice and be in lieu of that hearing. However, a Gagnon I hearing may be scheduled at defendant's request.

(2) Defendant may admit some or all of the alleged violations, but shall be under no obligation to deny them.

(3) If bail is set, it shall be conditioned on the defendant appearing at the next regularly scheduled Gagnon I or Gagnon II hearing date that follows arrest by at least twenty-one (21) days.

*Comment*: Although scheduling pursuant to this local rule is intended to reflect a balance between the necessity to prepare for hearings and defendant's interest in prompt disposition of charges, considerations of reasonableness may dictate either earlier or later hearings. Nothing in these rules shall preclude requests for special scheduling.

(E) *Commencement of proceedings*: Revocation proceedings may be commenced by petition and rule to show cause or by arrest. When commenced by arrest, defendant shall be produced before a judge without unnecessary delay. If possible, defendant shall be produced within 72 hours of his placement at Adams County Prison.

## **Rule 708.2. Intermediate Punishment Revocation Procedures.**

### *(A) General*

Because of considerations that are unique to intermediate punishment sentences, usually arising out of restrictive phases of the program, special or "fast-track" procedures applicable to revocation may be employed at the request of the Probation Office. To describe these and place them in perspective, the following provisions are adopted:

Conditions of the program shall be established by the appropriate Intermediate Punishment Board and by the Court. Until changed, the program shall consist of six (6) phases, with Phase III divided into two (2) aspects, as follows:

1. Phase I, partial confinement-work release.
2. Phase II, house arrest-electronic monitoring.

3. Phase III, intensively supervised probation.
4. Phase III, temporary, intense supervision awaiting entry into Phase I or Phase
5. Phase IV, modified intensive supervision.
6. Phase V, general supervision.

(B) General conditions of probation and parole, as set forth in Local Rule 705.1, shall apply to Phases III, IV and V.

(C) Revocation procedures established in Local Rule 708.1 shall be followed when a defendant is not incarcerated.

(D) When a defendant is incarcerated, the following procedure shall be followed:

(1) Within a reasonable time after incarceration occurs, the Probation Office shall transmit a request for an IPP review hearing to the District Attorney.

(2) As part of the request, the Probation Office may recommend that bail be set in a specified amount and be subject to any special conditions requested by the Probation Office. The Probation Office may also recommend that no bail be set.

(3) The District Attorney shall promptly submit an application to the court requesting that defendant's entry into the intermediate punishment program be revoked, that a hearing be scheduled and requesting that either that no bail be set, or that bail in a specified sum, subject to any requested conditions be set.

(4) The judge to whom the application is submitted shall schedule a hearing within fifteen (15) days of the defendant's arrest and may set bail, subject to any special conditions that are ordered. If defendant posts bail and is released prior to the scheduled hearing, the hearing may be rescheduled in accordance with Local Rule 708.1. Fast track revocation hearings will be conducted by a judge assigned by the President Judge to handle such intermediate punishment violations.

### **Rule 708.3. Intermediate Punishment Revocation Forms.**

(A) Standard forms shall be used in IPP revocation proceedings, whenever possible. The District Attorney shall be responsible for drafting and utilizing petition forms. The Court may, by administrative order, change and adopt forms.

(B). Until changed, the initial order shall be substantially in the following form:
