US 15 Safety Improvements Project

- Met with Penn DOT, York MPO and state elected officials in February to discuss the status of the project. Outcomes from that meeting include:
 - Penn DOT will task its existing project consultant with evaluating locations for at-grade crossings between Dillsburg and York Springs.
 - York MPO and ACTPO staff will take the lead on managing the local Development Committee.
 - A Public Meeting in Adams County will be delayed until this evaluation is complete.

2017-2020 TIP Update
