ONWARD2050 PUBLIC SURVEY – OPEN THROUGH SEPTEMBER!

Tell us what you think! The Adams County Transportation Planning Organization (ACTPO) is currently updating the Long Range Transportation Plan, entitled **ONWARD2050**. By completing the online survey, you will help shape the future of the transportation system in Adams County. Click the link to take the survey <https://arcg.is/eTujK> ...Your feedback matters!

A website has also been developed to provide additional information about the LRTP development process. **Users can access the survey, provide feedback using the public comment map, learn about the history of Adams County's transportation system, explore interactive maps, and more through the ONWARD2050 website:** <https://lrtp-1-adamsgis.hub.arcgis.com/>

LTAP SEEKING MUNICIPAL INPUT ON TOPICS FOR A STORMWATER MANAGEMENT DROP-IN SESSION SERIES

Municipalities - LTAP is developing a series of drop-in sessions on stormwater management and would like your input on topic ideas! What would you like to see included in the drop-in session series? E-mail your topic ideas to Ineiderer@adamscounty.us and they will be forwarded to LTAP coordinators.

ROADWAY MANAGEMENT CONFERENCE (RMC) – REGISTER BY

SEPTEMBER 1, 2021 FOR THE DISCOUNTED RATE

Registration is open for the October 6-8, 2021, Roadway Management Conference (RMC). This year's event will be held at the Atlantic Sands Hotel and Conference Center in Rehoboth Beach, Delaware. **The conference focuses on practitioners who manage, design, construct, and maintain state, county, and municipal transportation systems.** Together they will learn from experts and peers, visit with vendors, see equipment, and experience demonstrations relevant to local and state roadway agencies. Check out the agenda on the conference website for a full list of workshops on transportation maintenance and safety topics. To register and learn more about the conference, go to the conference website at: <https://roadwaymanagementc.wixsite.com/home>
