

Waste Services Information

NOTES:
 Large Commercial and Large Rental entities are excluded from these contracts, unless they can comply with the "# of Containers" limits; and may be serviced by other haulers licensed/approved by the County.
 Contact Municipalities directly for additional information. A listing of Municipalities, and contact information for each of them, can be found on the Adams County website: www.adamscounty.us
 In contracted Municipalities where participation is voluntary, if residents desire waste services they must use the contracted hauler for that municipality.
 Residents outside of mandated communities can use disposal facilities listed in our Recycling Brochure.
 Stonesifer & Sons and Neiderer Sanitation service numerous municipalities not under contracts.

* Lg Item: Shall mean discarded items too large to fit in a container, and shall include discarded furniture, bedding, large toys, various equipment, Christmas trees, etc. Tires (for the purposes of this contract, one tire is allowed per pick-up without rims) and items containing freon, such as refrigerators, dehumidifiers, air conditioners, etc. shall be picked up by the Collector on the date scheduled with the customer. The scheduled pick-up date shall be within one week of the customer's call requesting such service.

** Residents / Customers may contact the Waste Hauler for a listing of recycling materials included in the recycling pick-up.

Note: Adams Rescue Mission provides free recycling services to individuals, as well as businesses, throughout Adams County. The Mission also provides pickup services in various locations. Call 717-334-7502, for more information (or, check the listing in the Recycling Brochure, available on the Adams County website: www.adamscounty.us.)

- Lake Heritage and Lake Meade maintain separate contracts of their own.
