ADAMS COUNTY
RECYCLING AND WASTE MANAGEMENT INFORMATION

Provided by:
THE ADAMS COUNTY OFFICE OF PLANNING AND DEVELOPMENT

PLEASE REDUCE, REUSE, RECYCLE AND PROPERLY MANAGE WASTE TO PRESERVE AND PROTECT OUR COMMUNITY, ENVIRONMENT AND QUALITY OF LIFE!

Summer 2021
This page was left blank intentionally
We are pleased to offer you this brochure packed with information on recycling opportunities and disposal options! Every effort is made to update this information on a regular basis; however, in the event this information changes, or is no longer valid, please let us know. Keep a copy handy for reference, and please help us out & share this information with family and friends!

Recycling helps protect our land, water & air – natural resources which are becoming more precious as time goes on!

Thank you for doing your part to help keep Adams County a beautiful place to live.

Adams County Office of Planning and Development
670 Old Harrisburg Road, Suite 100
Gettysburg, PA 17325
(717) 337-9827

For more information on recycling and waste management at home and on the job, check with your waste collection company or call the following organizations:

Adams County Planning Office .....................................(717) 337-9827
Pennsylvania Recycling Hotline ..............................(800) 346-4242
Pennsylvania Resources Council ...............................(610) 353-1555

ILLEGAL DUMPING OR LITTERING ISSUES
Dumping trash and/or scattering litter are unlawful activities under the following Commonwealth statutes:

PA Crimes Code, Title 65
PA Vehicle Code, Title 75
Fish & Boat Code
Game & Wildlife Code
PA Code, Title 25

REPORT LITTERING INCIDENTS TO:
Your Municipal Office, or
PA Dept of Environmental Protection, 717-705-4909
Dear Patron:

I know you're busy, so we won't give you a long discussion on why you should recycle; chances are, you already know. So we'll just take a moment to tell you about our recycling program. These items directly support the Homeless Shelter on York Road and our Family Shelter in Gettysburg. Your involvement in our recycling program helps us to provide shelter for the homeless, meals, job training and counseling. All we ask is that you donate recyclable items that you may now be putting in the trash. On behalf of the homeless we "thank you" for your clean recyclable items. **WE ARE GRATEFUL FOR YOUR SUPPORT!**

Adams Rescue Mission Director

**RECYCLABLE ITEMS WE ACCEPT**

- **Aluminum Cans and Scrap** - Please remove webbing from lawn chairs, rinse cans.
- **Bi-metal (tin) cans** - Labels may be left on, but please rinse all cans & bottles.
- **Books** - All types, including encyclopedias, etc.
- **Cardboard** - Corrugated boxes, cereal boxes, shoe boxes, manila folders, etc.
- **Clothing & Textiles** - Please bag or box *usable* clothing separately. You can label un-usable items and rags as “textiles” (No oily or wet clothing please.)
- **Furniture & Appliances** - Please call ahead for a pick-up or you can drop off furniture (in good shape only) or appliances (in working condition) at the Mission from 9:00 am to 4:30 pm, Monday - Saturday.
- **Magazines** – Also glossy inserts from the newspaper, junk mail. etc.
- **Newspaper** – *Please*, no glossy inserts mixed in with the newspaper.
- **Paper (White, Colored, etc)** - Notebook paper, copy paper (any color), card stock, stationery, church bulletins, office paper, computer paper, some junk mail (please remove glossy inserts and plastic window envelopes)
- **Paper Bags** – Paper ONLY, glossy finish not mixed in.
- **Plastic Bottles** - #1 & #2, with ‘neck’ smaller than bottle, please rinse

The A.R.M. Recycling Center is open from 8:00 am to 8:00 p.m. Monday through Saturday. **For your convenience all recyclables may be dropped off at the Mission during the above hours.** Call for details regarding holiday hours.

** We also operate an excellent clothing and furniture thrift store. Come in and shop with us for some great deals!

**RECYCLABLES COLLECTION LOCATIONS**

Washington Township Transfer Station, Waynesboro ................... 717-762-4413

Antifreeze (see listing under ‘Oil’)

Asbestos (Businesses – must be tested by DEP & handled as Hazardous Waste)
Determine if ‘Friable’ or ‘Non-Friable’
Call DEP (717-783-2300 or 717-705-4700) or Laboratory Analytical & Bio Services in East Berlin (717-259-6550)
Friable – usually used as insulation around pipes in older buildings; brittle, breaks / crumbles easily. You need an ‘Abatement’ company to remove/dispose of it.
Non-Friable – usually used in shingles, floor tiles, etc. This can go to a landfill, or you can build/remodel over top of it.
Commercial Building – contact DEP before demolition begins.
Baxter Group, Chambersburg (abatement co.) .717-263-7341 or 800-990-7210

Asphalt (see listing under “Blacktop’)

Ballasts (see listing under ‘Lights’)

Batteries
Button/Cell Batteries (non-rechargeable, used in watches, flashlights, etc.)

**Electronics** *(Computers, TV’s and their peripherals; not toasters, radios, etc.)*
In November 2010, the Covered Device Recycling Act (CDRA) was passed, which established requirements for individuals and entities with the handling of covered devices (i.e., computers, monitors, peripherals and televisions.) As a result, these items from Adams County must be taken to an R2/e-Stewards certified recycler or an approved drop-off point for these recyclers.

**If you reside in one of Adams County municipalities that is a participant in one of the Collective Groups Waste Contracts, check with your municipal office or waste hauler to inquire about Covered Device Recycling Events.**

Cumberland County Recycling Center, Carlisle *(limited days/times)*. 717-240-6489

Paint (Old) - Handling & Disposal
Oil based paint has a shelf life of 15 years; water based paint has a shelf life of 10 years if it has not been repeatedly frozen and thawed. Old paint is usable if it mixes when you stir it & no lumps appear when you brush it on a surface.

To safely dispose of non-aerosol, unusable paint/stain (oil or water-based) - mix kitty litter, commercial hardener (available at hardware stores), shredded newspaper, sand or other absorbent material with the old paint until it solidifies.

Seal the can tightly and place in your regular trash.

Aerosol, Spray Cans

So why can’t all plastics be recycled together?

There are many types of plastics, like the many types of metals and papers. And, like metals and papers, the different types of plastics need to be kept separated in order to be recycled properly.

Different types of plastics serve different purposes; such as…

- **PET (#1)** – used for soda bottles because it keeps the “fizz” in your carbonated drink.
- **HDPE (#2)** – used for milk & detergent bottles because it can be molded into a shape with a handle, making it easier for dispensing.

The code number on plastic items refers to the general type of resin contained in that item – and differences can be found within some items using the same general resin. For the various plastics to retain their special properties when being recycled into new products, they must be kept separate from each other. Caps & lids should be removed from all bottles as they are made from another type of resin and need to be processed separate from the bottles.

Example: two different items are labeled #2 HDPE; however, their properties may not be the same and require different handling. Bottles that are “blow-molded” containers are different from margarine tubs that are “injection-molded” containers. One melts at a very high temp, the other melts at a very low temp. If they are mixed in the recycling process, the resulting container would be contaminated and not usable in the packaging industry.

In Adams County, only #1 and #2 bottles (a container with a neck that is smaller than the bottom) are recyclable through most programs. Check with your recycling hauler to determine if additional plastics are accepted. You can also check the listings in this brochure under Plastic for additional options.

---

Why are there articles in the news about recycling issues?

Contamination is one of the biggest problems facing recycling facilities, limiting the markets for their materials. However, you can help! Find out what materials your hauler/recycler accepts and only place those materials in your recycling bin. Thank you!

---

To obtain additional/updated hard-copies of this brochure please call the Adams County Planning Office at (717) 337-9827.

This brochure is also available on the County website at: www.adamscounty.us
