ACBA LEGISLATIVE COMMITTEE REPORT

PSAB COMMITTEES: DAVID BOLTON

MEDICINAL CANNABIS RESOLUTION

Congressional leaders were curious as to who was responsible for pushing the Medicinal Cannabis and Industrial Hemp Resolutions and complaining about the negative blow-block for blocking the bills. Due to the support of these two resolutions there has been no opposition seen thus far and they are moving through with unanimous votes.

MUNICIPAL PENSION & LABOR

The focus on pension reform has been on the plan structure and benefits for police and paid firefighters. PSAB has been working with Governor Wolf's Task Force on this subject. PSAB is opposed to any plan that would mandate local government pension plans to be consolidated into a state administered plan. The push for sensible Act 111 Collective Bargaining for Police & Firefighter reform, such as Senate Bill 211.

STORMWATER FEE

House bill 1394 that is being introduced will amend the Borough Code to allow stormwater fees. This fee should exist for boroughs that do not wish to create an authority. This bill will help alleviate the burden on general funds and the responsibility of this mandate will be spread to all property

RIGHT-TO-KNOW LAW REFORM

Senate Bill 411 is being supported by PSAB. This bill will make some much needed updates to the seven-year-old Right-to-Know Law. The bill passed the Senate last year and is now in the House State Government Committee.

A 40 minute recess was taken for dinner.
