

Adams County Volunteer Emergency Services Association

Training Committee

June 11, 2021

TITLE: Adams County Junior Firefighter Cadet Day Camp

DESCRIPTION: At this time, this will be a daily day camp with activities starting daily at 7:00 am. We will have an evening activity at various locations throughout the county. This week-long instructional camp will be conducted in a “career fire academy” atmosphere and will include physical training, uniform inspections, classroom lectures and discussion, along with practical exercises to include team building activities integrated with hands on activities pertaining to the emergency services trade.

This could change to our regular full time with cadets housing at the Adams County Emergency Services Training Facility. We will continue with plans that can be updated if the situation allows. We will keep you updated. **For further information or questions, please call or email Dave Martin at 717-729-1994 or dpmartin3@embarqmail.com**

PREREQUISITES: Must be a member of a fire department.
