

Be A Volunteer

" Neighbors Helping Neighbors "

Fairfield Fire and EMS Co.2 is always in the need of volunteers both young and mature.

The Junior firefighter program provides direction and training for young people between the ages of 14 and 18. Those young people interested in the fire service or emergency medical care will receive training and certification in many areas. All training costs are paid by the company for qualified students. Fund raisers and social events give our juniors an opportunity to socialize with other young leaders and develop an understanding of community service and commitment.

Retired members of our community are greatly needed. We need people who are proficient in : Banking and finance...Computer technology (Webmaster) ...Organizing events...Cooking...Mechanics...Small engine repair...Carpenters...Medical records keeping...Accounts receivable and billing...Making phone calls...EMS/CPR instruction...Fire police...EMT's and first responders...Fire fighters...Bingo callers and bingo team leaders... In other words we need help everywhere imaginable!

We get about 20% of our operating budget from the local fire tax which is about \$125,000. All of our remaining operating income (80%) comes from fund raising and our annual solicitation. Out of nearly 4000 solicitation letters sent out only 10% or 400 families send in a donation. In 2017 our solicitation generated \$27,000.00. All other income came from Bingo and other fund raisers. Our greatest source of funding is our Thursday night Bingo. Without this our fire trucks and ambulances would be sitting idle. Therefore!! If you are willing to help your community, please volunteer to help with Bingo and share your knowledge and skills with the fire company. You can get involved by calling the fire company at 717-642-8842 and an officer of their company will get back to you and assist you in becoming a volunteer.

Our critical areas of need are: EMS billing secretary (EMT or medical background)

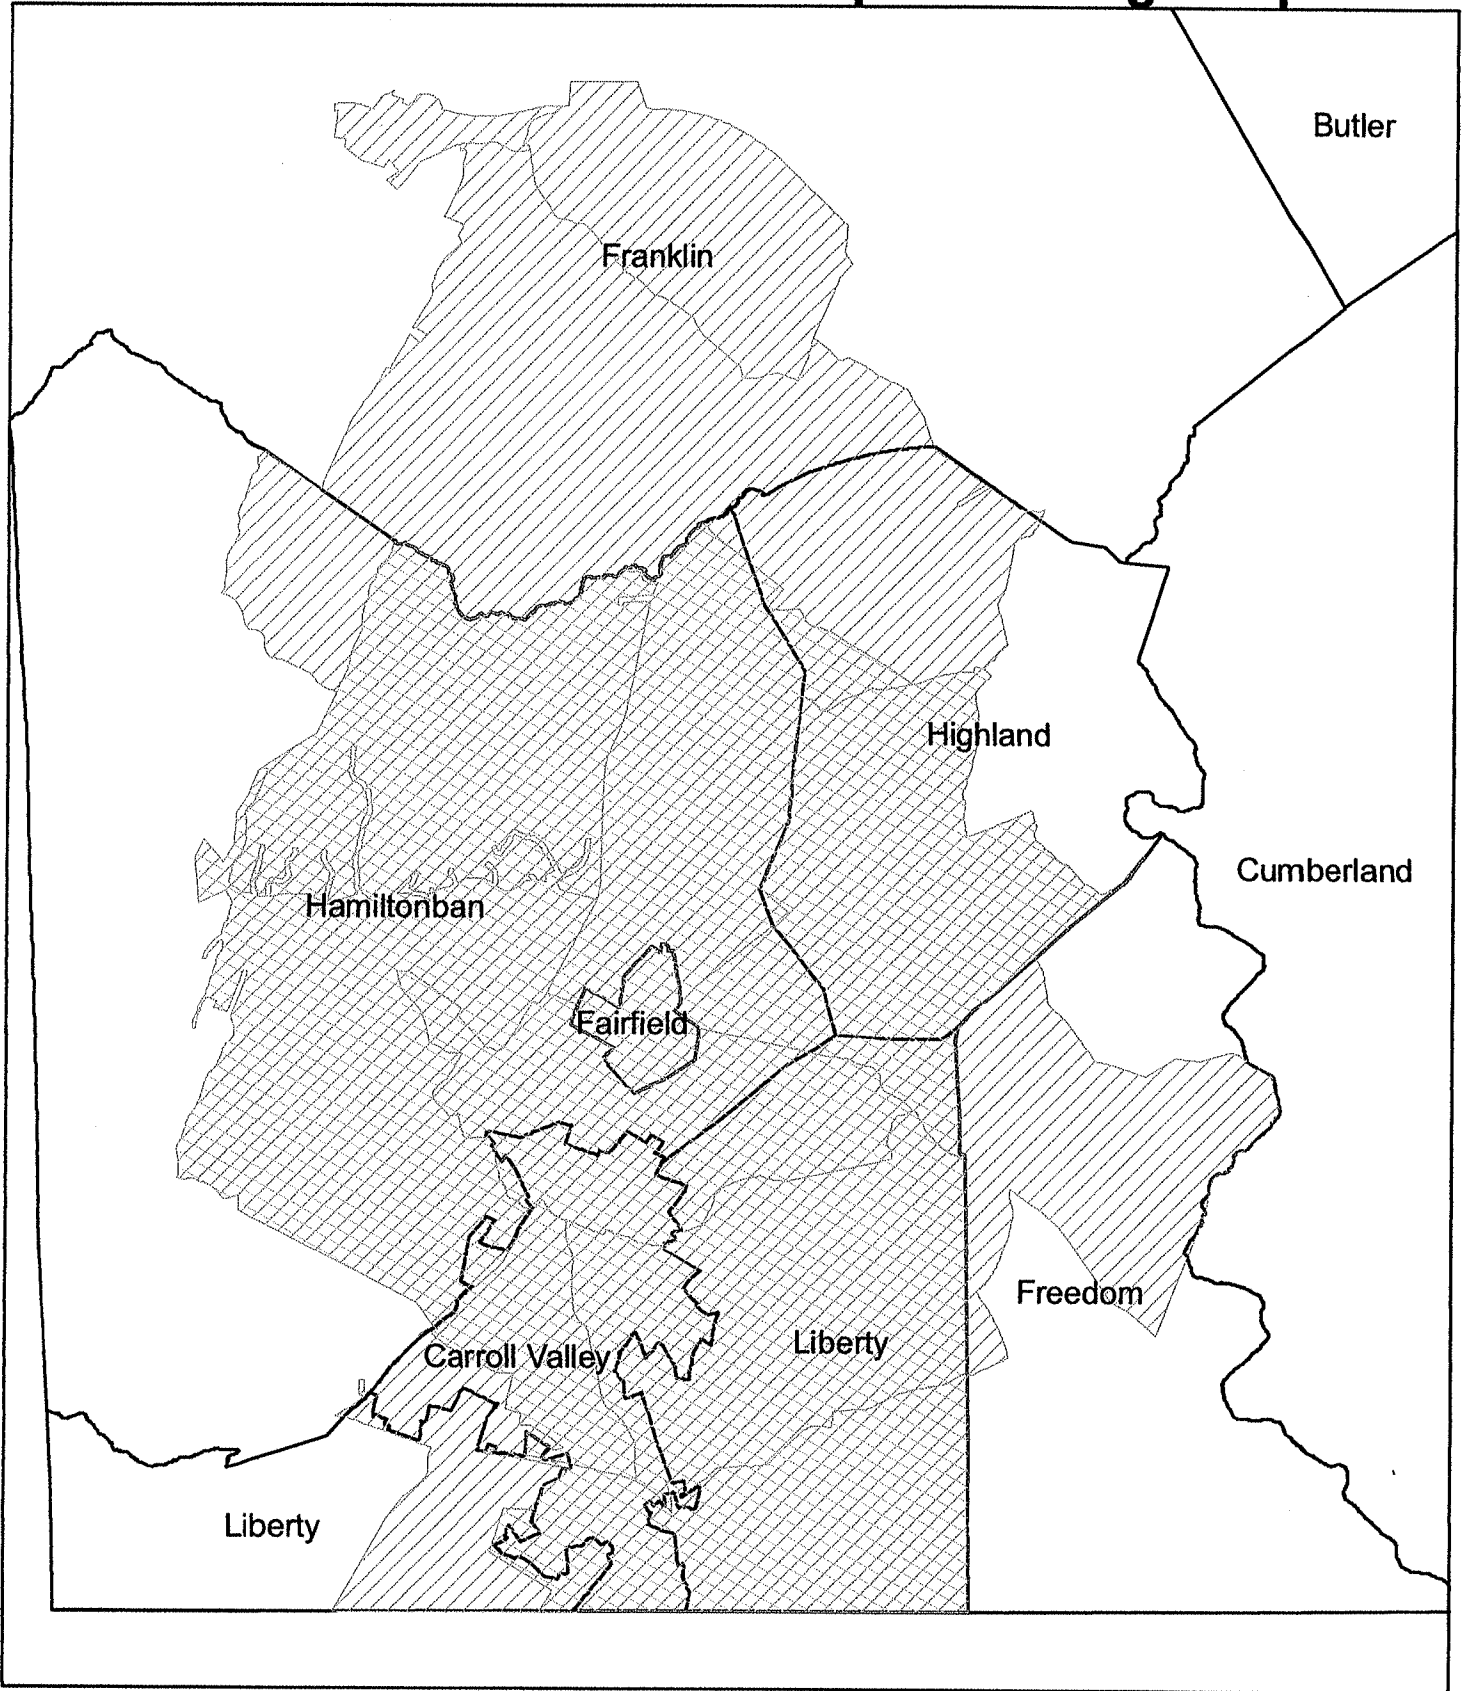

Webmaster

EMT'S (Company paid training)

Bingo Help (Callers, ticket sellers,team leaders)

Thanks to everyone for your continued support:
