To: All Borough Residents,

It has been brought to our attention that someone has been utilizing our phone numbers and representing themselves as Borough employees. They are stating that we are requesting that you purchase amazon gift cards for the holiday season to help the less fortunate. Please be advised that this is a scam and no employee from the Borough of Littlestown is making any such request. If you receive a call, please contact the Littlestown Police. Thank you for your assistance in this matter.

### **Another Scam going around:**

You get an email from a friend asking for money or to purchase gift cards. You want to be a good friend and help out — but before you follow through, make sure the email is real.

"In the title, it said, 'favor to ask,'" . The email will usually ask you to help them with something discreetly. You reply yes and then they are sending reply back asking for money or for you to purchase Amazon gift cards.

Please check with the person who sent you the email to ensure that it is legit. Ten to one the email is a scam and did not come from the person listed.
