Regarding Municipal Contractual Waste Collection

New Oxford Borough contracts waste services on behalf of our residents. In light of COVID-19 concerns it is important to point out a very important requirement of our waste collection contract. In our collection contract there is a provision that all loose refuse must be bagged. This provision also pertains to waste placed in wheeled toters – it must also be bagged.

Employees of our waste collector are on the front line in this pandemic. Let's do our part to keep everyone safe. Please bag your waste.

Thank you.
